

China International Fastener exhibition 2022 was postponed again

Dear exhibitors, buyers, visitors and partners,

With the 2022 exhibition coming near under careful planning and lively preparation, it is regrettable that this exhibition will be postponed due to the outbreak of the epidemic in Shanghai vicinity again.

In view of the present day epidemic prevention and control requirements, the Shanghai WorldExpo Convention and Exhibition Center has been used as a temporary health center and can't carry out exhibition things to do in the short term. China International Fastener exhibition will be postponed and the venue will be reserved till in addition notice.

Thank you for your long-term assist and have confidence in our work. It is believed that with the joint efforts and aid of all parties, IFS China will truly shape a gorgeous platform for industrial trade, technical exchanges, global industrial exchanges and cooperation, and grant a exquisite annual event for the fastener industry!
